

Zerofoods.id was founded in 2024.

Founders: Brent Vincent, Giri Gusman

CEO: Maria Renny

CMO: Branch Vincent (made the website, designed the labels, makes most of online images and decorates online stores as well as engineered ZERO's marketing strategy)

Giri Gusman(Bang ZERO) is the face of the company and works towards showing Indonesia the effects of Blood Glucose Spikes on your body and how they can be avoided.

Brent Vincent is the man behind the recipes. Being from the United States allows him to nail the flavors of the products perfectly.

Maria Renny(Ren) is the CEO and manages ZeroFoods Indonesia alongside Brent and Giri.

ZERO's mission is to make Indonesia healthier by making healthy choices easier.
